

# Winter Field Day

January 27<sup>th</sup> & 28<sup>th</sup> 2024

## CQ, CQ, CQ...

Get out and participate in the 2024 Winter Field Day event! WFD is a winter emergency communications exercise sponsored by the Winter Field Day Association.

We passionately believe that ham radio operators should practice portable emergency communications in winter environments as the potential for freezing temperatures, snow, ice, and other hazards present unique operational concerns. WFD is formatted to help increase your level of preparedness for disasters and improve your operational skills in subpar conditions.

We are sure you will find WFD to be a challenging yet exciting and rewarding event!

For more information visit  
[www.winterfieldday.org](http://www.winterfieldday.org)
