*Dear Prospective Member,

The Shenandoah Valley Amateur Radio Club was formed by a small group of charter members in 1948. The Club has prospered through the years due to the dedication of its founders and members. We are an ARRL Affiliated Club, and we are one of very few clubs with a long history of providing public and emergency services to our community.

We own our clubhouse thanks to the unselfish contributions made by the membership and fundraising events. Our objective is to promote Amateur Radio in general and fulfill our obligations to public and emergency services through our many working committees.

We expect all members to be loyal to the organization and dedicated to its objectives, with an emphasis on "What one can do for the organization." Any conduct or act by an individual that has a detrimental effect on the Club or its membership is grounds for dismissal.

Upon acceptance into membership, you will be furnished with:

1. A copy of the Constitution and By-Laws
2. A membership card
3. Club Member Roster
4. An S.V.A.R.C. embroidered Patch
